

NEO 20

Litenet presents NEO range of light fittings that can be used for a wide range of outdoor lighting applications, this range of powerful projector lights are designed for facade lighting. The NEO collection is a fixed projector lights that has a wide range of beam angles with low glare lighting application. This fitting is a designed with reinforced aluminium body along with IP66 Air breathing cap presents a elegant and functional fitting.

The NEO range is designed with a generous heat sink using die cast high grade aluminium to maximise heat dissipation which will intern maximise the life of the LED chip. The NEO range has a central illumination deep set LED lens minimise uncomfortable glare.

- Non-dimmable ECG standard,
- Phase Dim/DALI is optional.
- 50,000-hour L80 5-year warranty

Power	20W,36W,40W
LED	T03 SMD
Luminous flux 3K	1,460lm, 2,628lm, 2,920lm
Luminous flux 4K	1,600lm, 2,706lm, 3,000lm
Dimensions	150mm x 150mm x 112mm
Mounting Options	Surface mounted or suspended
Beam angles	15°, 25°, 40°,60°
CRI	80
3000K Part No	NEO20803, NEO36803, NEO40803
4000K Part No	NEO20804, NEO36804, NEO40804
